Level 2

It was my first day to school.No one was familiar.everything was new.

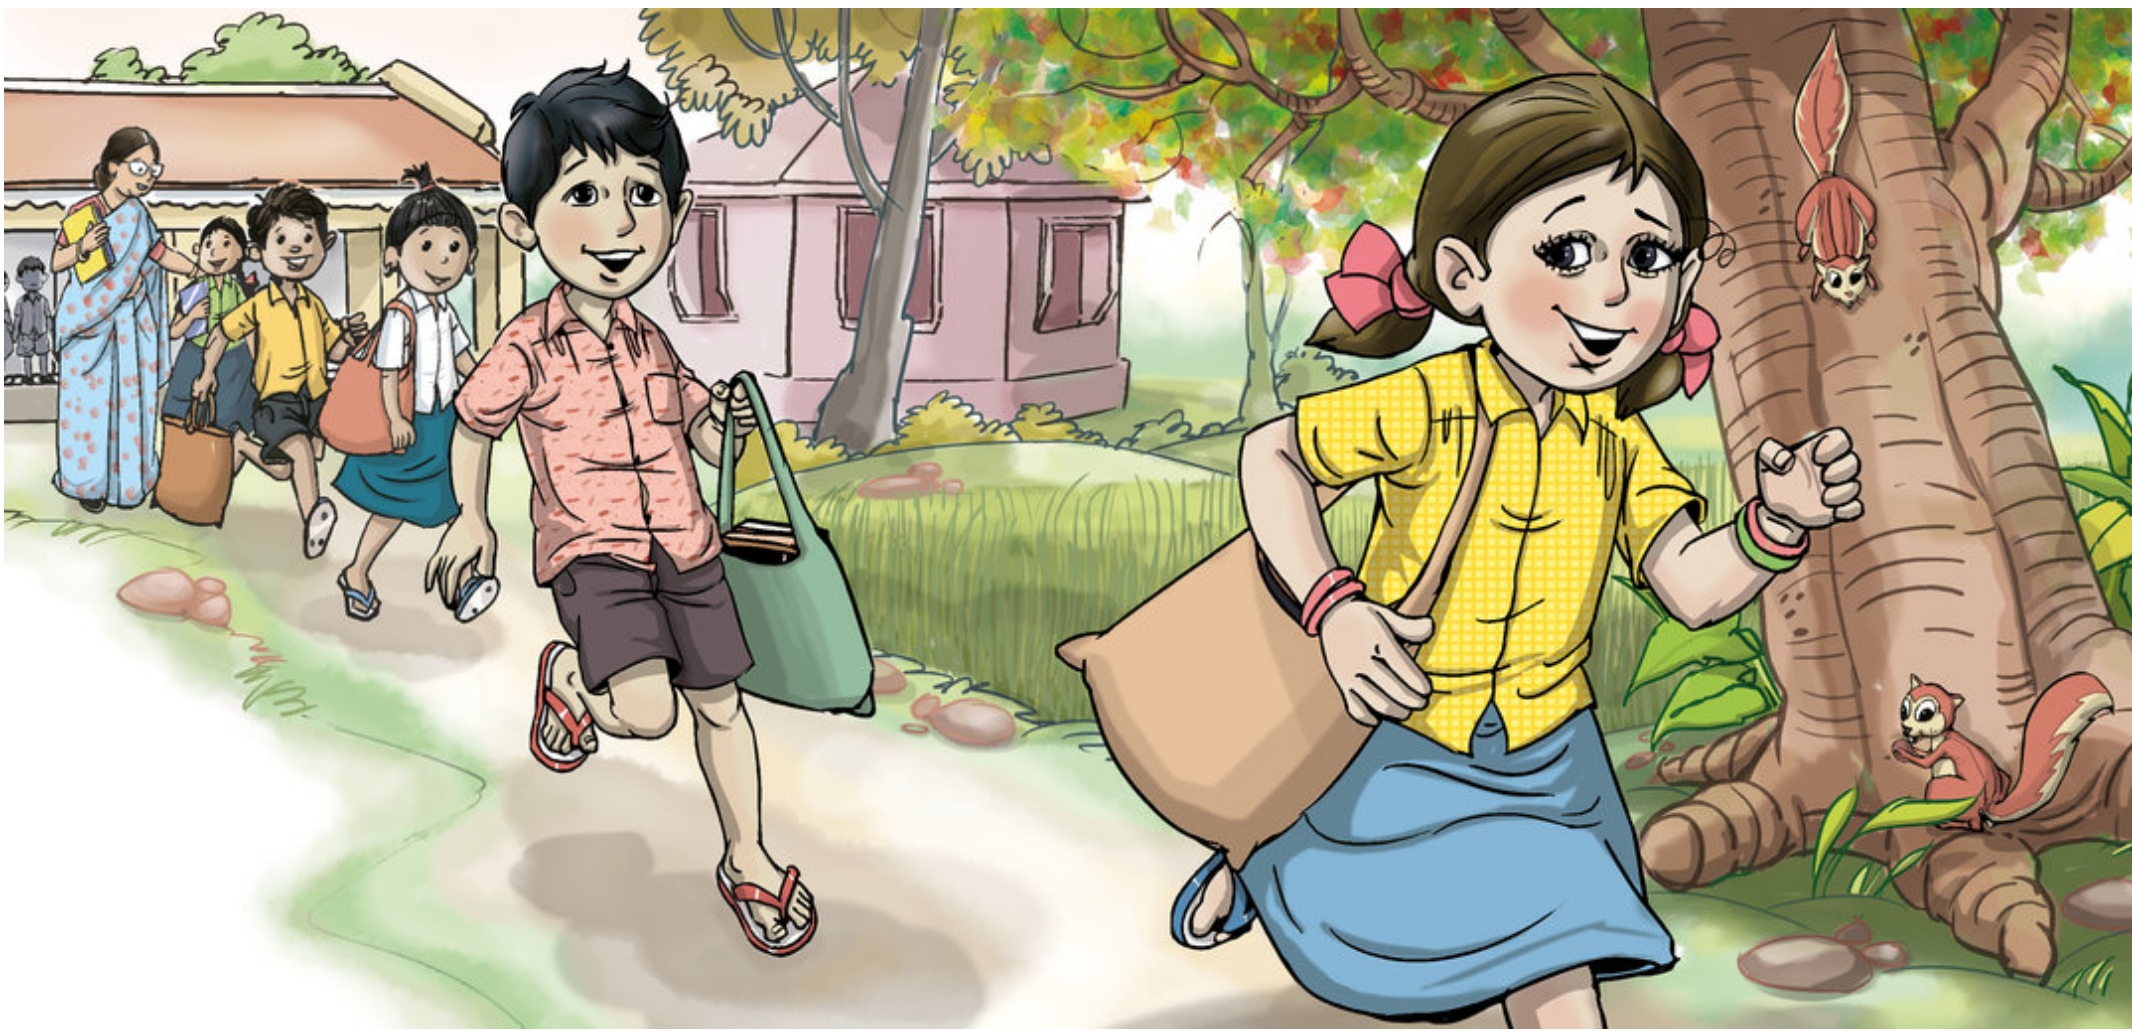

No one was in the class.No one let me sit beside.I didn't understand why they behave like that.

Teacher entered in the class and just smiled at me.I smiled in reply.Teacher introduced me to the class.

Days passed. Some boys and girls became my friends.

I was different. I found my teacher close to me as he always talked with me like a friend.

A year passed and I changed totally. Now everyone called me Rita, not mad girl.
